Interpretability
LLMs encode ideas in high-dimensional space
Elhage et al. 2022; Huh et al. 2024; Gurnee & Tegmark 2023; Jha et al. 2025
Causal discovery
keeps memes whose effect stays the same across heterogeneous environments
Invariant causal prediction: Peters, Bühlmann & Meinshausen 2016
Long-run development
what these ideas did to living standards, over centuries
Outcomes from WP1
